

WYOMING COUNTY WATER RESOURCES COORDINATING COMMITTEE

2010 ANNUAL REPORT
JANUARY 27, 2011

2007-2008 FL-LOWPA Funding

With assistance from the 2007-2008 round of Finger Lakes - Lake Ontario Watershed Protection Alliance funding, the Wyoming County WRCC/ RC&D was able to conduct three meetings in 2010. A water quality tour was also conducted to highlight various water quality projects around the county.

Financial assistance was provided through the New York State Department of Environmental Conservation to FL-LOWPA to purchase new hydroseeding equipment, complete streambank stabilization projects, and to implement agricultural best management practices.
